

MIGRANT CHRISTMAS

Togiak Family Fun Night Christmas Boxes

Santa's Helpers

Togiak Migrant Education Coordinators were busy little helpers making sure every migrant family got their own box of Christmas Literacy Fun!

Family Fun Nights

This year due to COVID 19 and our schools red status, we sent home Family Fun Night Christmas Boxes instead of having our literacy night at the school. Our boxes consisted Christmas books, Christmas mad libs, gingerbread cookies to decorate, Christmas ornaments to decorate, pen the nose on the reindeer or snowman, and swiss miss. We had a great response from the families posting on Facebook with the #TogiakMigrantChristmas. Families really enjoyed the opportunity to have a family fun night from our creative boxes, regardless of COVID or our school's red status.

Scholastic Book Orders

Every migrant student got to order \$100 worth of scholastic books before Christmas. In January when the school opened back up the orders were sorted and the books were sent home to the migrant families. One family posted on Facebook, "My kids feel like it's Christmas again! They love their migrant books!"
