

TOGIAK CHRISTMAS

Book Fair

Students took time to look through our Book Fair display and order their very own books!

Gingerbread Houses

Families loved taking time to build and decorate gingerbread houses and cookies! This station is always a favorite for our community and this year was no different!

Christmas Masks

A new station this year at our Migrant night included ugly Christmas mask decorating! Everyone enjoyed creating their own glittery, jingle belled, Christmas Mask!

Christmas Ornaments

Christmas ornaments were also available for families to decorate their own special Christmas ornaments for their family trees!
