

TOGIAK SCHOOL

Migrant Education Spring Art Day

Togiak held its annual Spring Migrant Event! This year's spring event was an Art Day! We had rock painting, paint by numbers for elementary age groups, paint by numbers for middle-high school age groups, and free painting on canvas! We had art kits to pass out to families, snacks, and a deluxe art kit for door prizes! We also passed out personal floatation devices to each of our migrant families! The kids and parents got into their designs and everyone had a great time letting their inner artist out!
