

# Family Night #1

Twin Hills

## Oral History Night

We held our 1st Migrant Ed night during a blustery night. We had several students not able to attend due to a positive covid test. A couple of our students attended by cell phone video. Despite the setbacks we all had a great time!

Evelyn Willburn was helping at our school while Loana was in Anchorage. She started out the evening with an excellent story about her experiences working in the bush. Mick Cleveland then followed with an excellent story from his time in Twin Hills. Our district rep, Kirk was also in attendance and regaled us with stories from Manokotac.

We talked about the importance of oral history and the need to record what the elders experienced in the past, so that future generations would not forget.

After a couple of excellent stories, we enjoyed a taco bar. Everyone helped themselves to an abundance of great toppings and made enough to take home to family members.
