

Winter Wonderland

Koliganek. December 6, 2024

Family Night Events

Invitations were given to the students and parents during the book fair the week before, and *Remind* notices were sent out a week and days leading to the event. Six of the eleven families had attended. Shannon had welcomed the families and signed them in and handed out the family night schedule. Two volunteer students took pictures of the families and printed out pictures for the snow globe ornament. The families rotated through the events as a big group. The first group was the popcorn bar and hot chocolate done by Elena and Mickey. Then they moved to the ornament-making supervised by Susan. Lastly they moved to the game room hosted by the migrant coordinator Karen. The families played Boggle and Pictionary Jr. The night was concluded with prizes including books, literacy games, and subsistence gear. The night was filled with fun.

Literacy Games in the library
