### TOGIAK SCHOOL - report

**Coordinators:** Andrea Alvarado & David Delamatta

**Event:** "Camp Read-A-Lot"

**Location:** Togiak School

**Date:** January 29<sup>th</sup>, 2025

**Time:** 5:30p-7pm

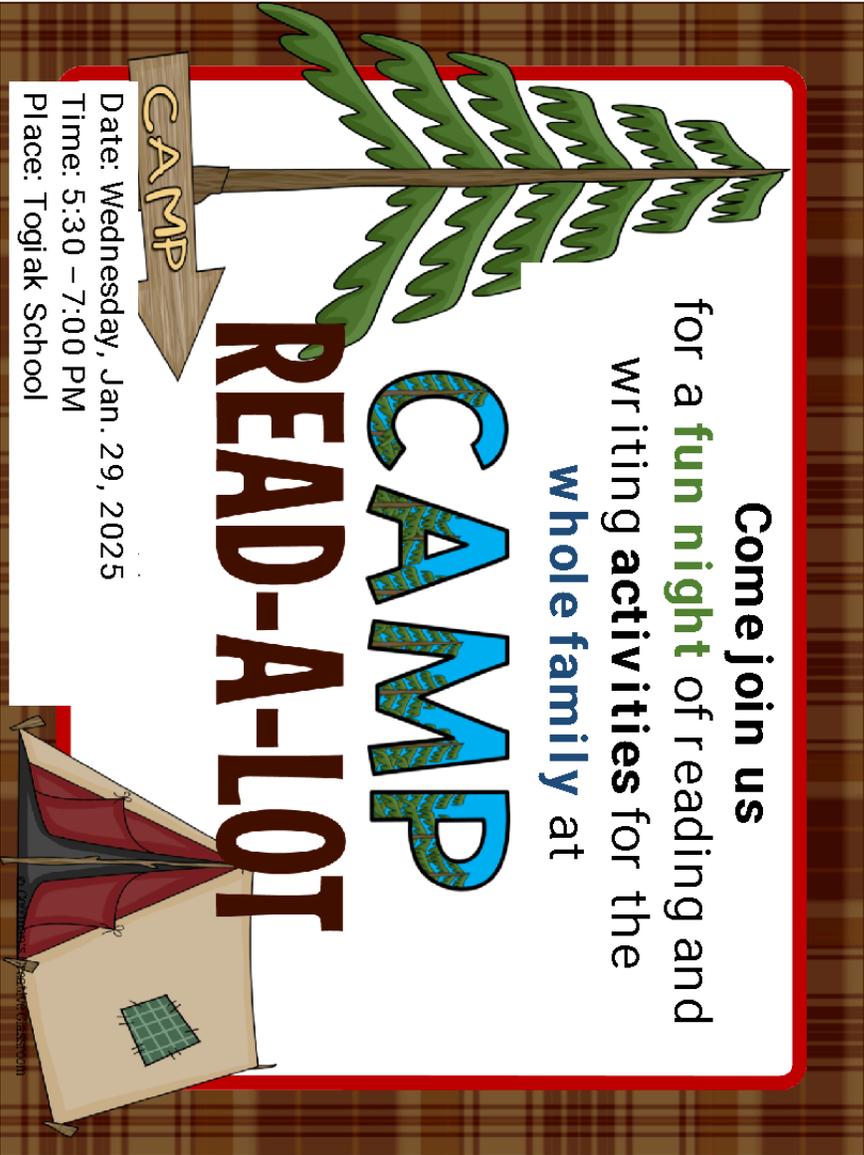

The event – Camp Read-A-Lot was organized at Togiak School for our first Migrant Education night for the 2024-2025 school year. We set up stations in different locations in the school. Each participant received a card to progress from one station to the next.

At the entrance of the school, we had a sign-in table for the Migrant Ed families. We had a total of 16 families attend this first event. We also had 6 volunteer teachers who helped with each of the stations during the evening. In all, we had 11 families who made a meaningful and personal reading pledge to commit to.

In the commons area, we had bingo, letter/word scramble, and the smores station, yum! In the library we read a book around the campfire and made story puppets. We also had a station in the elementary hallway, which allowed the students to use the flashlights for reading in the tents and "under the stars".

The event concluded at 7pm with the drawing of the prize winner for the evening. At the conclusion of our literacy night, Andrea announced the next theme for the Migrant Ed night, "STEM Night" and our upcoming book fair the week of February 10, 2025. All Migrant Ed students will have a \$50 shopping spree at the book fair.
