

KOLIGANEK MIGRANT EDUCATION FAMILY NIGHT

KOLIGANEK SCHOOL

MARCH 3, 2020

Make your own Trail Mix

As parents and students arrived they were directed to the cafeteria to make a bag of their own trail mix. They choose from a wide variety of snacks such as Gold fish, Fruit Snacks, Cheez-It, M&M's, Chocolate cover raisins, Chex mix, pretzels, and a variety of cereals. They were able to grab a Capri Sun and then they headed to the different challenges with snacks in hand.

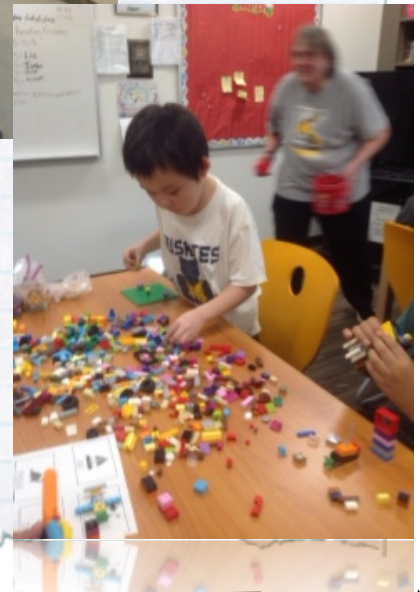

Bridge Building Challenge

Families worked together to create the strongest bridge possible with the following items: 20 marshmallows and 35 mini dowel sticks. The bridge had to span a 6 inch gorge. After the bridges were built each family placed a ziplock bags with 100 pennies. Each bags represented 1 car. They continued to add the bags till the bridge broke. The winners were declared Master Bridge Builders!

LegoChallenge

Families were given 10 objects they needed to build as a team such as: boats, plane, giraffe, elephant, Letters, and more. When they completed the task they received Lego bracket and pencil.
