

# LITERACY NIGHT IN KMO

## Manokotak Migrant Ed. Family Night

### BINGO!

Bingo is always a hit! With this fun twist on the classic game, the students and families use sight words for their bingo cards!

Winner, Winner, Pizza Dinner!

### Let's Get Fancy!

This station gave our families the opportunities to follow in Fancy Nancy's footsteps and create some beautiful love bracelets. Everyone was so proud to show off their new bling at the photo booth station!

### Grouchy Ladybugs & Love Monsters

These two stations were accompanied by a good book and a fun craft to match. The love monsters finally found their partner to love. The grouchy ladybug wasn't so grouchy with her hugs and kisses tic tac toe.

## Love Is In The Air!

Our migrant education families attended a Valentine's themed night at Manokotak School. We provided five different literacy themed stations that included good books, crafts, and even pizza prizes. As families walked out the door many said "We should do this every week!"
