Ayojiak, Jeweline Ayojiak, Herbert Gloko,  
Ferdella Sharp, Valda Borbridge, Kelli  
Wallona,

**3. Approval of Minutes from previous meeting**

Ferdinand motioned to approved minutes of last meeting, seconded  
by Norman

**4. Approval of Agenda**

Public comment-agenda item into agenda for next meeting- give public right  
to comment- no public comment- move on to next correspondence-

Irene quotes "public has no agenda to make comments"-

Kenneth says "Why was public comment moved up to # 4"-

Herman states that- "It has been that way all along"-

Kenneth wanted to move it to #5 after reports are made"-

Ferdinand-it could be moved after the reports have been made or be moved  
to the CSC comment section-

Irene- said that It would be better if public comments can be moved after  
all the reports have been made that there might be some questions from  
public after the reports have been made

Ferdinand- it will be moved before CSC comments to #10

## 5. Reports:

RTP reports by Virginia-elder referral form, sleeping form, fix chill out pass, call home before sleeping. Norman- wants to fix chill out pass for RTP, RTC room for leaving and not for punishment- a situation where it will work for a student- a room where students come for a comfortable place no classroom to sleep in but RTC.

Valda- suggested that there should be a curfew for students-city ordinance not enforced. Kenneth-try and force RTP to activities. Louie said coast guard reg. enforce new reg. based and now being enforced and pushing it for safety reasons-understand what parents are trying to say and said that it was an example and made a point with illustrations and organizations.

Ferdinand said hot issue. RTP and need to work at. Dana said policy double price for unsupervised children at activities-children running when asked the questions. Getting their attention for children who come without an adult-public outcry for unsupervised children-vantage. Alone in it-not to boot children out.

**Student Council Report**-had several meetings-student of the month, tournament-bingo-dance-also pick Ariel, Roderick gave a report-picked Ariel again for meeting by herself-Ariel gave report thru technology-talking for a voice in school.

**Principal Report**-operation Santa went well-community members helped out-ice cream treat-thank whoever went for ice cream -annual Christmas program tomorrow @ 1pm-students will be dismissed after program-semester ends Friday-semester lasts for those students who missed school for Thurs. & Fri. Jan 7-teachers comeback-Sockeye Tournaments-not into schedule yet-students go to Togiak-both girls and boys team-home game arranged-lost coin flip-regional board gave a side-here in 13-14 cut a hole-fire marshal district broadcast the game-working on it. Student Handbook cover and back-Erin and Cindy narrowed it down to 3 student-Casey 1<sup>st</sup>, Elem. Back side-Michelle G. winner for that- Lockdown procedure for emergency situations-

## 6. Old Business

**CSC Vacancy**-2 ppl voiced for vacancy, Chris Gloko and Irene Oles' for vacant CSC member-Irene say why she wants to be a CSC-just put on a spot-CSC vacancy attended a few meeting-improve for voice of children, and why she is here tonight whether she will be expected-Education improvement begins at home from K-12 depending on childrens education, make changes and progress for our children.

Motion into Executive Session @ 7:54, out @ 8:04-back to motion and Irene selected as CSC member till next spring-Sworn in and signed the oath form and welcomed to sit with other members.

## 7. New Business

**Senior trip**-back to agenda, Branden, Valda and Seniors- gave a presentation on Florida trip-May 19-Return 28-Branden-12 Graders advisor rented a house and a van for duration of trips-plan to visit parks-see the 12 who are leaving- Navigate large, airports, restaurants, budget food and costs-daily activities by Braden reported- for now tickets paid and house is rented-15 passenger van-working on theme parks-fundraise with Van Air for money.

**School Audit**-Jan 29-30-Man and woman come to school for grade level-Form they're going to use Comments and Regulations to perform how school can be improved-school learned-Maximize school policy- Give recommendations on how school can improve and talk to parents

**School improvement**-on how they spend cash, budget-KMO weather, Machine use-Curriculum use for Reading, Writing, and Math-Targets to improve scores-Final product and updates to look through-

**Gym supervision**-Mr. Gerving wants to know a possible direction-Activities for children and parents, wants to know what can be done-Working with District Office for commons area so school can be improved-Chaperones needed for what-Certified Staff- Don't know how much supervision Is needed-Chaperones need to know what is orderly for our school-Wassillie?- Is this what came out of District thing-Sally A. said that new principal should have new rules-Wassillie said that it is too much burden for an organization to use the gym or to observe activities-something broken is a

cost to the school-Activities going on need to fill an application, staff overburdened with school and children-People should have opportunities for building but need supervision-Open for discussion-Melissa stated that when church made it activity, that the school should do the same-Kelli said that Roderick should have told them when the church is going to have an activity-School fundraiser is different from an activity, needs to fallow or know responsibility for proposal of activity-Wassillie said that whatever is required for chaperones should be fallowed-Norman said the when a activity is going on that gym supervision should open the gym instead of bothering Mr. G and he could close it down or certified staff close it down-No activity for Christmas holiday but there will be open gym for students-Herbert running gym night-Moses checking the school making sure parent supervision is present-Student and supervisor should take responsibility for use of activity-Mr. G didn't know what happened before, it takes everyone's responsibility in order for it to work-Irene said that they should stick with this form for use of gym-Help to not contradict with school activities-With community activities so that they will know for activities-Ferdella said that if this form is used for sleepovers for a certified staff- Mr. G wanted to know if this form should be used for things like that- form an be adapted for certain activities.

**Impact Aide-**\$ from taxes from public state land-make it available district office. Send check-mailed out to community-on agenda and open for public comment. By December 20-need Ferdinand's signature.

**Retention-**community members-retention policy by district-process put in teachers retention form with parents-has a teacher worksheet. DRA Scores-check over students-numbers of students looking out letters mailed out-running into serious for 9<sup>th</sup> graders not ready for high school. Look at scores for determining retention-won't be till May and looking at process for certain students-need parent input for AYP input-looking at students-need input for students coming to school. Tired or what not-students accountable for agenda input. Mr. G open for any suggestions-need an answer to this-Teresa suggested that a big brother or sister for tutoring help-Sally A wanted teachers to make a call home when students are not doing work-Irene liked the idea of students being retained to benefit the students learn for AYP to meet its level-Mr. G said that it has to be addressed to the public and he will show the parents how it is done-Ferdella said that a

translator might be needed for this public comment-limit of 5 min. and Ferdinand wanted to know if they wanted to have it on agenda.

Sally A. wanted to know about RTP-sleeping in RTC isn't acceptable with her if her students are sleeping-parents open for school with a visitor pass-make a call home when they have been in RTC-Jeweline A. made this comment a report sent home everyday if students have been in RTC-may even have students call home-Sally A, wants her children calling home for her children if they have been in RTC. Kristin wanted to know if there is detention-only out of school suspension-Kenneth wanted to know about standing in a school bus-be more specific on reports for incidents on reports-Ken suggested that the trail is good and that Seniors should get some wood for raffling tickets-Kristin wanted to know if janitors have been cleaning the showers-both boys and girls-Sally A said that Seniors are going home from Anchorage alone-Norman selected that he will be a good helper for any kind of activities-biggest fish contests-Ferdella is planning on New Years Activities-No Gym List-Sally said how come it has to include Yupik dance-Herb said that study hall teacher should have 2 teachers that rotate each week-put on agenda for no gym list-Sally N said that she was a home school coordinator largely on attendance-see if it an be brought up instead of bad news she wanted good news also for students improvements on grades so that more presents can be involved with students-Mr. G wanted Sally to come and talk to him more about it-Kristin wanted to know if RIF is going on and wanted rewards for the students.

8. **CSC Comments**-need to be here in a timely manner for meetings-make an effort to try and be here on time
9. **Items for next agenda**  
No gym list
10. **Adjournment/Time & Place of next meeting**  
Jan. 10, 2008, 6:00pm meeting scheduled-adjourned @ 9:48 pm.
