VI. Public Comment: Robert Wassily said that he would like to set up a VAF Recycling. It will be on April 4th - 6th 2008. There will be hands on, and would like to set up a table with dream catchers. There will be travel, meals and lodging provided for. We will need permission slips for the two older kids Samuel Clark and Christopher Floresta, if they are interested in attending. Another idea is recycling and I think we should introduce it in our school.

1. Spring Trip- The Spring Trip will be from April 18th-22nd. We estimate that it will cost between \$15,000 and \$16,000 to send all students K-8th grade and 4 Chaperones. There will be to male who will be Dennis Schneider and Tom Egbert, and 2 female who myself Rebecca Coleman, and either Margaret Gardiner or Michelle Schneider. Right now we have seven boys and six girls going . The SWRSD Big Board will either approve or deny the trip proposal at their next meeting. I have to have the proposal to the district office by March 10th.

2. Spring Testing- There will be State testing April 1st - 4th. Then on April 8th there will be testing for 4th and 8th graders.

3. Valentines Day RIF Book distribution- On Valentines Day had a RIF Book distribution and a little party for the students. They were asked to bring in snacks for everyone. We had reading all afternoon. We asked the whole community to attend if they chose to. It was a very good afternoon.

4. Dr Seuss Celebration and RIF Book Distribution- On March 5th we will be celebrating Dr. Seuss's Birthday. We plan to have a dinner which will be at a cost to the community and then activities for the students. There will be a Cat in the Hat Hunt for everyone to find and the cost will be \$0.50 a person. On the 26th of March we will have a Money/Cake Walk. We will be asking the community to bake something. We still have 1 more airline ticket to give away. We have no activity scheduled during the week of testing. The Dr. Seuss Birthday raised \$369.82.
5. NCLP Application-
6. 4th Quarter- On April 30th and May 7th we will be having Eskimo Bingo. The 16th of May is the last day of school. The amount in the student account right now is \$9343.20 as of February 25th, 2008.

IX. Unfinished Business:

1. None

X. New Business

1. SBA's- New Science SBA's for 4th and 8th graders on April 8th, we are asking that the children come to school well rested. A question was asked if there is a sample test for the 4th graders test on math. The answer is no. We encourage the pushing of math. 4th graders should be multiplying. We are very impressed that Kayla does division. We would hate to see our children fail on the SBA's.

XII. Adjournment: Betty Wassily moved to adjourn. Seconded by Aurora George. Motion Carried. Meeting adjourned at 6:52 P.M.
