RE: Teacher Housing
Koliganek and Ekwok

Dear Ms. Mello:

We are writing this letter in support of the application for Pre-Development Grant funding to replace 6 Teacher Housing units in Koliganek and to replace 4 Teacher Housing units in Ekwok.

Southwest Region Schools recognizes the need for obtaining new teacher housing to replace the existing substandard housing in disrepair in these villages.

Recognizing this need the board of directors for the Southwest Region School District passed a resolution authorizing Rick Dallmann our Director of Facilities to request grant funds necessary to accomplish this goal. The resolution dated September 24, 2008 is still in affect and the controlling document for this purpose therefore Rick Dallmann is authorized to request Pre-Development Grant funds for the purposes of developing teacher housing in the Southwest Region School District.
