

## MEMORANDUM SRS- 470

TO: School Board Members

FROM: Office of the Superintendent

DATE: September 24, 2008

SUBJECT: Alaska Learning Labs (SERRC)

Recommend Alaska Learning Labs (by SERRC) as the supplemental education service provider for schools in Level 2 or above of school improvement. Alaska Learning Lab has provided service to qualifying schools in our district in the past. Principals and program supervisors have indicated that the Alaska Learning Labs program is a quality program. Alaska Learning Labs provides the data and reports required by EED (NCLB). In addition, Alaska Learning Labs personnel make site visits, provide quality training, and assist the supervisors of the program run an efficient out of school hours program.

Recommended Action: Motion to Approve.
