V. Guest Present: Present were Doug Bushey and Margaret Gardiner.

VI. Public Comment: Anthony Clark had a comment as a parent, that the trees around the school needs to be cut down for the safety of the children due to bears and moose, and that Logan Walker took a look at the playground, and there needs to be more sand or pebble rocks put in. Doug Bushey said that he just found out that Curtis was aloted 15 hours a week over the summer, and that would have been a good use of the hours, and that we could have killed to birds with one stone by cutting the trees and using a wood chipper to fill in the playground. Doug said that he would talk to Kim about seeing if those hours are able to be rolled over to this school year, not sure if the funding is there. Anthony said that maybe we could have a volunteer day and cut trees down, that he would be willing to.

VII. Student Council Report:

1. Student Council: The council was not ready for this meeting, but they will be at the next.
2. Financial Report: As of July 2nd there is \$6252.25 in the account according to the Wells Fargo Statement. Sharon Clark asked if the Sped Department had reimbursed the student account for the travel of Jon Thomas Egbert and Harry Egbert, round trip from Clarks Point to Dillingham to Anchorage and the hotel room.

VIII. Principals Report:

1. Student Enrollment is at eleven students, and we now have Amaya Wassily/Walker in Powerschool.
2. Daily Schedule: There was a daily schedule sent home with students for the parents review.
3. Literacy Acceleration-We have two slots a day for the Literacy Acceleration, they are from 8:15 A.M.-9:00 A.M., and from 3:15 P.M. to 4:00 P.M. The Kindergarten through 2nd Grade had Waterford and then

the older kids will be doing their Literacy Acceleration online as soon as Jon Clouse works out the grant to get the program, as every student has their own IMAC in the school, which is very nice.

4. AFN and School Sponsered Trip-The school has their student count in October and we need to know what is going to happen with the AFN Trip, because if it is going to be a school sponsored trip, Doug has to file paperwork and submit it before the School Board Meeting at the end of the month, for their approval.

5. Hire Recommendations: Still awaiting paperwork, but we will schedule a special meeting for hiring possibly next week.
