## Parent Survey

Southwest Region School District is excited for the opportunity to build partnership with your Tribal Council in an effort to provide the best and most relevant education possible for the children in your community.

SWRSD is reaching out to your Tribal Council to get feedback to support students and establish a meaningful line of communication. In order to provide that support, the district is asking for your thoughts about four main areas including (1) the educational needs of the your children; (2) how to help parents/guardians support education in the home; (3) the overall operation of educational programs; and (4) opportunities for parents to be involved in the development of educational programs

Included in this packet is a short survey that will help the district gather your input. The information will be used to evaluate programs, procedures, and policies of the district.
