Parent Survey

Hello!!

Southwest Region School District is excited for the opportunity to build partnerships with parents in an effort to provide the best and most relevant education possible for the children in your community.

In order to provide that support, the district is asking for your thoughts about four main areas including (1) the educational needs of the your children; (2) how to help parents/guardians support education in the home; (3) the overall operation of educational programs; and (4) opportunities for parents to be involved in the development of educational programs

Included in this packet is a short survey that will help the district gather your input. The information will be used to evaluate programs, procedures, and policies of the district.
