Parent Consultation & Feedback

The 2017-2018 school year is well under way and Southwest Region School District (SWRSD) is happy that you are an active participant in your child(ren)'s education. SWRSD is working on increasing collaboration with parents and tribal organizations as educational programs continue to progress and develop. Communication is a key component to having more collaborative opportunities between SWRSD and parents. In addition, SWRSD recognizes the importance of making evaluations of programs, applications, program descriptions, and plans for improvement readily available.

SWRSD encourages parents to participate in the development of programs by reviewing the various documents and providing feedback. SWRSD will make the following documents available to the public on the district website at: www.swrsd.org Simply click on the Parent Information tab.
