## Data

A parent survey was completed in the first semester. This survey was helpful because it showed how parents prefer to get information from the school. Most parents would like access to the PowerSchool App to see grades and assignments for their child(ren) on their mobile devices. There were also several great ideas for community engagement events

### Other Data

- 71% of parents prefer Facebook and Remind (text) to get information about events.
- 83% of parents prefer parent meetings to give feedback to the school.
- Data on reading improvement will be presented in the following report in March.
