

School Improvement Progress Check

Hello All! The team at Twin Hills School is making sure that students are receiving the best education possible, including working on the school improvement plan. Back in October, we reported on how far we have gotten on the plan. This is the second progress report about the plan.

Goals	Strategies	% Completed	Next Steps
<i>Improving reading for K-5 students</i>	<i>Training for staff Review reading scores</i>	<i>About 50% of these strategies have been completed</i>	<i>Continue training for staff Continue reviewing reading scores</i>
<i>Improve attendance;</i>	<i>Create a plan to recognize students for improved attendance</i>	<i>About 25% of these strategies have been completed</i>	<i>Work on an award system for attendance</i>
<i>Develop social-emotional supports for students</i>	<i>Build a plan to start a social-emotional support system</i>	<i>About 75% of these strategies have been completed</i>	<i>Find out what the biggest needs are for a social-emotional support system</i>

Data

Attendance is a major focus of the school improvement plan. The team is tracking the attendance of each school so that we can celebrate the successes and provide support to students as necessary. The team will be reviewing the progress in reading for all elementary students.

Other Data

- The average attendance rate of all students is about 81%
- 45% of students increased their attendance in the second quarter (October through December)
- Data on reading improvement will be presented with the next report in March.
